

PRIPP.com is an online pre-paid company focus on promoting usage of pre-paid services. We focus on mobile and gaming pre-paid services.

PRIPP.com manifesto

- Give users free to choose, free to pay options
- No long term contracts
- Easy to use – click&go on a fast track
- Fast&easy ≠ no customer service – we here for you, our staff is here to help you

Fact & figures about PRIPP.com

- Started in beginning 2008; USD 500k in revenue so far – main player in Polish market
- Over 5.000 loyal users steadily repeating their purchases.
- Official cooperation with leading MMO developers & publishers including: CCP Games, JoyMax Korea, NCsoft, K2Networks, Acclaim and others
- Strong ties, support and active sponsorship of local game communities
- Distribution channels - own site, auction sites, 12.000 POS terminals all over Poland
- Accepting payments via major bank transfers, postal transfers - majority of young players in Poland and CEE do not have either credit card or bank account

Future development

- Expanding game offer
- Expanding POS network
- Expanding into other CEE countries (focus Ukraine and Baltic Republics)
- Adding new services - VOIP, pre-paid bank cards, video on demand
- Adding mobile distribution channel
- Possible games-box distribution in Poland

PRIPP.com guarantees your new titles success in Poland.

Let's do it together as they did...
